COMPANY ANNOUNCEMENT

12 February 2008

JB Hi-Fi reports Sales up 50%, NPAT up 60% and Dividend up 100%

JB Hi-Fi Limited today reported a record half year net profit of \$41.9 million (HY07 \$26.2 million) from \$989 million of sales (HY07 \$659 million) for half year ending 31 December 2007. The profit for the half year exceeded last year's full year profit of \$40.4 million.

Comparable store growth for the period was 18.8% (JB Australia 20.1%, CA 15%, NZ 0.4%). Our cost of doing business was down 70 bps to 14.3% (HY07 15.0%). EBIT Margin increased 22bps to 6.56% (HY07 6.34%).

The company has raised its dividend declaring a fully franked dividend of 10.0 cents per share, an increase of 100% (HY07 5.0 cents). This reflects the company's confidence in its ability to consistently generate cash going forward. The dividend will be paid on 19 March 2008. The record date for determining the entitlement is 21 February 2008.

The company had 104 stores in total at the end of the calendar year, comprised of 89 Australian (81 JB and 8 CA) and 15 New Zealand (11 HS and 4 JB) stores. During the half year, 12 new Australian (10 JB and 2 CA) and 3 new JB New Zealand stores were opened and the company expects to open approximately 5 new stores in the second half of FY08.

"We are delighted with another great result" said CEO Richard Uechtritz. "Our unique and technology focused retail model continues to perform strongly. We should continue to benefit from strong comparable store sales, maturing of recently opened stores, many new store opportunities, a lower cost of doing business and better buying power" he said.

Christmas sales were very good following on from strong sales in the previous months. Most categories were solid with visual, games and computers showing very good growth.

Sales in January and February to date have continued the strong momentum of the first half of the year. We now expect sales to be circa \$1.8 billion (previously \$1.7 billion) for the full financial year, a 40% increase and we expect the full financial year NPAT to be between \$57 - \$60 million, a 41% to 49% increase on the prior year. The consensus average of analyst's forecasts is \$57.0 million.

JB....you've done it again!

Independent Auditor's Review Report to the Members of JB Hi-Fi Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of JB Hi-Fi Limited, which comprises the condensed consolidated balance sheet as at 31 December 2007, and the condensed consolidated income statement, condensed consolidated cash flow statement, condensed consolidated statement of changes in equity for the half-year ended on that date, selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 4 to 11.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2007 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of JB Hi-Fi Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of JB Hi-Fi Limited is not in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2007 and of its performance for the half-year ended on that date; and
