Information about the service

Your JB Hi-Fi Mobile BYO Plan or JB Hi-Fi Mobile Plan (**Plan**) is for a post-paid mobile phone service. It gives you access to the Telstra Mobile Network, a mobile phone number, lets you make and receive calls, send and receive messages, and access mobile data.

BYO handset

You can bring your own (**BYO**) Telstra Mobile Network compatible handset to take up a JB Hi-Fi Mobile BYO Plan. Be sure to check that your handset supports 3G-850MHz and both 4G 1800MHz and 4G 700MHz banding, to ensure you get the best possible experience on the Telstra Mobile Network. You can find your handset banding in your device manual or manufacturer's website.

JB Hi-Fi Phone Credit (only available on \$65 JB Hi-Fi Mobile Plan)

For new and existing Telstra customers signing up to a \$65 JB Hi-Fi Mobile Plan, you may be eligible to receive a credit to put towards the purchase of an eligible JB Hi-Fi handset (Phone Credit Amount). The applicable Phone Credit Amount will be applied to the purchase price of your eligible handset at the point of sale within the JB Hi-Fi store. This Phone Credit Amount must be used at the time you sign up to the plan and is not transferable or redeemable for cash (including any unused part).

If you cancel, recontract or move to an ineligible plan then you will need to pay a Phone Credit Cancellation Fee pro-rated against the remaining months on your plan, the maximum of which is set out in the table above. This is in addition to any Early Termination Charges (ETCs) set out in the above table and accessory payments.

Mobile Repayment Contract

Once the Phone Credit Amount is applied to the purchase price of an eligible handset, the remaining amount is paid over 24 months with interest-free monthly payments (Handset Repayment Amount). If you cancel your \$65 JB Hi-Fi Mobile Plan early, you will have to pay the remaining Handset Repayment Amount, any prorated Phone Credit Cancellation Fee and any applicable ETCs.

Minimum Term

12 or 24 months depending on which Plan you choose.

Monthly Calls

Your Monthly Calls are set out in the table above. Your Monthly Calls can be used in Australia for calls to standard Australian numbers, as well as most 11xx, 12xx, 13xx and 1800 numbers.

Monthly Data

All data expires at the end of the month and is not shareable. Data is for personal use in a smartphone only. Our FairPlay policy applies. Data is for use in Australia.

Extra Data

If you use more than your Monthly Data Allowance, we will automatically add extra data to your service in blocks of 1GB for \$10 (Extra Data). Extra Data is for use in Australia and expires at the end of your billing month and is not sharable with other services on your account.

Free Telstra Air® Wi-Fi data

You can access free Wi-Fi data at Telstra Air hotspots in Australia and Fon Spots overseas. Download the Telstra Air app or visit telstra.com/air to activate Telstra Air.
